OFFICIAL LEVY BALLOT

Special Election to Authorize Additional Levies According to the Order of The Board of Education of the County of Summers entered on January 23, 2024

A special election to authorize additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the total average amount of approximately \$1,502,230.84 annually, for the purpose of paying the general current expenses of The Board of Education of the County of Summers, including for the purposes hereinafter set forth in the table below; all according to this Official Ballot and the Order of the Board entered on January 23, 2024, and as more particularly described below.

The approximate average annual amount considered necessary for each purpose, subject to variation from year to year as provided herein, is set forth as follows:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and AVERAGE ANNUAL AMOUNT FOR EACH PURPOSE. Rows include A. Safety and Security, B. Student Academic Services and Transportation, C. Building and Grounds, and a TOTAL row.

As noted above and in the next paragraph, below, the amounts set forth in the table above are the approximate average annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The actual amounts budgeted, as well as the amounts actually spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Summers County School District, as determined by the Board with respect to each fiscal year and, further, are subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended.

The proposed additional rate of levy in cents per one hundred dollars of assessed valuations on each class of property within Summers County School District for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, is as follows:

Table with 2 columns: Class and Rate. Rows: Class I (8.035), Class II (16.07), Class III (32.14), Class IV (32.14).

In the event The Board of Education of the County of Summers shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Summers may from time to time determine.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, then subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended, the funds allocated for Purpose A and B set forth in the table of purposes and average annual amounts above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

The Board of Education of the County of Summers, to the extent permitted by then-existing law, reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with Section 6g, Article 8, Chapter 11 of the Code of West Virginia, 1931, as amended.

For each fiscal year beginning on and after July 1, 2024, The Board of Education of the County of Summers, to the extent permitted by then-existing law, may reduce the levy rates proportionately for all classes of property when increased assessed valuations, excluding appraisal or valuation due to new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, would cause an increase of more than four percent in the total projected property tax revenues from the previous year's projected property tax revenues. In that event the levy rate, to the extent permitted by then-existing law, is reduced so as to cause such rate to produce no more than one hundred and four percent from all classes of property, excluding appraisal or valuation from new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, of the previous year's projected property tax revenues from all property.

A special election to authorize additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the total average amount of approximately \$1,502,230.84 annually, for the purpose of paying the general current expenses of The Board of Education of the County of Summers, including for the purposes hereinafter set forth in the table below; all according to this Official Ballot and the Order of the Board entered on January 23, 2024, and as more particularly described below.

<b>TOTAL</b>	<b>\$1,502,712.00</b>

As noted above and in the next paragraph, below, the amounts set forth in the table above are the approximate average annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The actual amounts budgeted, as well as the amounts actually spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Summers County School District, as determined by the Board with respect to each fiscal year and, further, are subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended. Class IV	32.14

In the event The Board of Education of the County of Summers shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Summers may from time to time determine.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, then subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended, the funds allocated for Purpose A and B set forth in the table of purposes and average annual amounts above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

The Board of Education of the County of Summers, to the extent permitted by then-existing law, reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with Section 6g, Article 8, Chapter 11 of the Code of West Virginia, 1931, as amended.

For each fiscal year beginning on and after July 1, 2024, The Board of Education of the County of Summers, to the extent permitted by then-existing law, may reduce the levy rates proportionately for all classes of property when increased assessed valuations, excluding appraisal or valuation due to new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, would cause an increase of more than four percent in the total projected property tax revenues from the previous year's projected property tax revenues. OFFICIAL LEVY BALLOT

Special Election to Authorize Additional Levies According to the Order of The Board of Education of the County of Summers entered on January 23, 2024

A special election to authorize additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the total average amount of approximately \$1,502,230.84 annually, for the purpose of paying the general current expenses of The Board of Education of the County of Summers, including for the purposes hereinafter set forth in the table below; all according to this Official Ballot and the Order of the Board entered on January 23, 2024, and as more particularly described below.

The approximate average annual amount considered necessary for each purpose, subject to variation from year to year as provided herein, is set forth as follows:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and AVERAGE ANNUAL AMOUNT FOR EACH PURPOSE. Rows include A. Safety and Security, B. Student Academic Services and Transportation, C. Building and Grounds, and a TOTAL row.

As noted above and in the next paragraph, below, the amounts set forth in the table above are the approximate average annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The actual amounts budgeted, as well as the amounts actually spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Summers County School District, as determined by the Board with respect to each fiscal year and, further, are subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended.

The proposed additional rate of levy in cents per one hundred dollars of assessed valuations on each class of property within Summers County School District for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, is as follows:

Table with 2 columns: Class and Rate. Rows: Class I (8.035), Class II (16.07), Class III (32.14), Class IV (32.14).

In the event The Board of Education of the County of Summers shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Summers may from time to time determine.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, then subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended, the funds allocated for Purpose A and B set forth in the table of purposes and average annual amounts above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

The Board of Education of the County of Summers, to the extent permitted by then-existing law, reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with Section 6g, Article 8, Chapter 11 of the Code of West Virginia, 1931, as amended.

For each fiscal year beginning on and after July 1, 2024, The Board of Education of the County of Summers, to the extent permitted by then-existing law, may reduce the levy rates proportionately for all classes of property when increased assessed valuations, excluding appraisal or valuation due to new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, would cause an increase of more than four percent in the total projected property tax revenues from the previous year's projected property tax revenues. In that event the levy rate, to the extent permitted by then-existing law, is reduced so as to cause such rate to produce no more than one hundred and four percent from all classes of property, excluding appraisal or valuation from new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, of the previous year's projected property tax revenues from all property.

The proposed additional rate of levy in cents per one hundred dollars of assessed valuations on each class of property within Summers County School District for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, is as follows:

Table with 2 columns: Class and Rate. Rows: Class I (8.035), Class II (16.07), Class III (32.14), Class IV (32.14).

In the event The Board of Education of the County of Summers shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Summers may from time to time determine.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, then subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended, the funds allocated for Purpose A and B set forth in the table of purposes and average annual amounts above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

The Board of Education of the County of Summers, to the extent permitted by then-existing law, reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with Section 6g, Article 8, Chapter 11 of the Code of West Virginia, 1931, as amended.

For each fiscal year beginning on and after July 1, 2024, The Board of Education of the County of Summers, to the extent permitted by then-existing law, may reduce the levy rates proportionately for all classes of property when increased assessed valuations, excluding appraisal or valuation due to new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, would cause an increase of more than four percent in the total projected property tax revenues from the previous year's projected property tax revenues. <b>TOTAL</b>	<b>\$1,502,712.00</b>

As noted above and in the next paragraph, below, the amounts set forth in the table above are the approximate average annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The actual amounts budgeted, as well as the amounts actually spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Summers County School District, as determined by the Board with respect to each fiscal year and, further, are subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able or needed to be spent entirely in such fiscal year, then the unspent amount shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

The proposed additional rate of levy in cents per one hundred dollars of assessed valuations on each class of property within Summers County School District for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, is as follows:

Class I	8.035
Class II	16.07
Class III	32.14
Class IV	32.14

In the event The Board of Education of the County of Summers shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Summers may from time to time determine.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, then subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended, the funds allocated for Purpose A and B set forth in the table of purposes and average annual amounts above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

The Board of Education of the County of Summers, to the extent permitted by then-existing law, reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with Section 6g, Article 8, Chapter 11 of the Code of West Virginia, 1931, as amended.

For each fiscal year beginning on and after July 1, 2024, The Board of Education of the County of Summers, to the extent permitted by then-existing law, may reduce the levy rates proportionately for all classes of property when increased assessed valuations, excluding appraisal or valuation due to new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, would cause an increase of more than four percent in the total projected property tax revenues from the previous year's projected property tax revenues. In that event the levy rate, to the extent permitted by then-existing law, is reduced so as to cause such rate to produce no more than one hundred and four percent from all classes of property, excluding appraisal or valuation from new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, of the previous year's projected property tax revenues from all property.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, then subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended, the funds allocated for Purpose A and B set forth in the table of purposes and average annual amounts above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

OFFICIAL LEVY BALLOT

Special Election to Authorize Additional Levies According to the Order of The Board of Education of the County of Summers entered on January 23, 2024

A special election to authorize additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the total average amount of approximately \$1,502,230.84 annually, for the purpose of paying the general current expenses of The Board of Education of the County of Summers, including for the purposes hereinafter set forth in the table below; all according to this Official Ballot and the Order of the Board entered on January 23, 2024, and as more particularly described below.

The approximate average annual amount considered necessary for each purpose, subject to variation from year to year as provided herein, is set forth as follows:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED, AVERAGE ANNUAL AMOUNT FOR EACH PURPOSE. Rows include A. Safety and Security, B. Student Academic Services and Transportation, C. Building and Grounds, and TOTAL.

As noted above and in the next paragraph, below, the amounts set forth in the table above are the approximate average annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The actual amounts budgeted, as well as the amounts actually spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Summers County School District, as determined by the Board with respect to each fiscal year and, further, are subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able or needed to be spent entirely in such fiscal year, then the unspent amount shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

The proposed additional rate of levy in cents per one hundred dollars of assessed valuations on each class of property within Summers County School District for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, is as follows:

Table with 2 columns: Class, Rate. Rows include Class I (8.035), Class II (16.07), Class III (32.14), Class IV (32.14).

In the event The Board of Education of the County of Summers shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Summers may from time to time determine.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, then subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended, the funds allocated for Purpose A and B set forth in the table of purposes and average annual amounts above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

The Board of Education of the County of Summers, to the extent permitted by then-existing law, reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with Section 6g, Article 8, Chapter 11 of the Code of West Virginia, 1931, as amended.

For each fiscal year beginning on and after July 1, 2024, The Board of Education of the County of Summers, to the extent permitted by then-existing law, may reduce the levy rates proportionately for all classes of property when increased assessed valuations, excluding appraisal or valuation due to new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, would cause an increase of more than four percent in the total projected property tax revenues from the previous year's projected property tax revenues. In that event the levy rate, to the extent permitted by then-existing law, is reduced so as to cause such rate to produce no more than one hundred and four percent from all classes of property, excluding appraisal or valuation from new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, of the previous year's projected property tax revenues from all property.

OFFICIAL LEVY BALLOT

Special Election to Authorize Additional Levies According to the Order of The Board of Education of the County of Summers entered on January 23, 2024

A special election to authorize additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the total average amount of approximately \$1,502,230.84 annually, for the purpose of paying the general current expenses of The Board of Education of the County of Summers, including for the purposes hereinafter set forth in the table below; all according to this Official Ballot and the Order of the Board entered on January 23, 2024, and as more particularly described below.

The approximate average annual amount considered necessary for each purpose, subject to variation from year to year as provided herein, is set forth as follows:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and AVERAGE ANNUAL AMOUNT FOR EACH PURPOSE. Rows include A. Safety and Security, B. Student Academic Services and Transportation, C. Building and Grounds, and a TOTAL row.

As noted above and in the next paragraph, below, the amounts set forth in the table above are the approximate average annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The actual amounts budgeted, as well as the amounts actually spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Summers County School District, as determined by the Board with respect to each fiscal year and, further, are subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able or needed to be spent entirely in such fiscal year, then the unspent amount shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

The proposed additional rate of levy in cents per one hundred dollars of assessed valuations on each class of property within Summers County School District for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, is as follows:

Table with 2 columns: Class and Rate. Rows: Class I (8.035), Class II (16.07), Class III (32.14), Class IV (32.14).

In the event The Board of Education of the County of Summers shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Summers may from time to time determine.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, then subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended, the funds allocated for Purpose A and B set forth in the table of purposes and average annual amounts above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

The Board of Education of the County of Summers, to the extent permitted by then-existing law, reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with Section 6g, Article 8, Chapter 11 of the Code of West Virginia, 1931, as amended.

For each fiscal year beginning on and after July 1, 2024, The Board of Education of the County of Summers, to the extent permitted by then-existing law, may reduce the levy rates proportionately for all classes of property when increased assessed valuations, excluding appraisal or valuation due to new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, would cause an increase of more than four percent in the total projected property tax revenues from the previous year's projected property tax revenues. In that event the levy rate, to the extent permitted by then-existing law, is reduced so as to cause such rate to produce no more than one hundred and four percent from all classes of property, excluding appraisal or valuation from new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, of the previous year's projected property tax revenues from all property.

A special election to authorize additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the total average amount of approximately \$1,502,230.84 annually, for the purpose of paying the general current expenses of The Board of Education of the County of Summers, including for the purposes hereinafter set forth in the table below; all according to this Official Ballot and the Order of the Board entered on January 23, 2024, and as more particularly described below.

The approximate average annual amount considered necessary for each purpose, subject to variation from year to year as provided herein, is set forth as follows:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and AVERAGE ANNUAL AMOUNT FOR EACH PURPOSE. Rows include A. Safety and Security, B. Student Academic Services and Transportation, C. Building and Grounds, and TOTAL.

As noted above and in the next paragraph, below, the amounts set forth in the table above are the approximate average annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The actual amounts budgeted, as well as the amounts actually spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Summers County School District, as determined by the Board with respect to each fiscal year and, further, are subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended.

The proposed additional rate of levy in cents per one hundred dollars of assessed valuations on each class of property within Summers County School District for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, is as follows:

Table with 2 columns: Class and Rate. Rows: Class I (8.035), Class II (16.07), Class III (32.14), Class IV (32.14).

In the event The Board of Education of the County of Summers shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Summers may from time to time determine.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, then subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended, the funds allocated for Purpose A and B set forth in the table of purposes and average annual amounts above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

OFFICIAL LEVY BALLOT

Special Election to Authorize Additional Levies  
According to the Order of The Board of Education  
of the County of Summers entered on January 23, 2024

A special election to authorize additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the total average amount of approximately \$1,502,230.84 annually, for the purpose of paying the general current expenses of The Board of Education of the County of Summers, including for the purposes hereinafter set forth in the table below; all according to this Official Ballot and the Order of the Board entered on January 23, 2024, and as more particularly described below.

The approximate average annual amount considered necessary for each purpose, subject to variation from year to year as provided herein, is set forth as follows:

PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED	AVERAGE ANNUAL AMOUNT FOR EACH PURPOSE
A. Safety and Security, including, but not limited to, school resource officers; probation officer; cyber security; and building security.	\$350,000.00
B. Student Academic Services and Transportation, including, but not limited to, support (interventions, tutoring, student assistant teams, and other support); avoiding split classrooms; Communities In Schools Programs; After-School and Summer-School Programs; Work Programs; field trips; Career and Technical Education (CTE); band/music competitions; and academic and athletic competitions.	\$652,712.00
C. Building and Grounds, including, but not limited to, maintenance of existing buildings and grounds (including needed repairs and renewal and replacement); playgrounds; and facilities.	\$500,000.00
<b>TOTAL</b>	<b>\$1,502,712.00</b>

As noted above and in the next paragraph, below, the amounts set forth in the table above are the approximate average annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The actual amounts budgeted, as well as the amounts actually spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Summers County School District, as determined by the Board with respect to each fiscal year and, further, are subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able or needed to be spent entirely in such fiscal year, then the unspent amount shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

The proposed additional rate of levy in cents per one hundred dollars of assessed valuations on each class of property within Summers County School District for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, is as follows:

Class I	8.035
Class II	16.07
Class III	32.14
Class IV	32.14

In the event The Board of Education of the County of Summers shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Summers may from time to time determine.

The Board of Education of the County of Summers is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above-stated purposes, or for the enrichment, supplementation and improvement of educational services and/or facilities in the public schools.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, then subject to downward adjustments (if any) required to be made for any fiscal year under Section 8, Article 9B, Chapter 18 of the Code of West Virginia, 1931, as amended, the funds allocated for Purpose A and B set forth in the table of purposes and average annual amounts above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

The Board of Education of the County of Summers, to the extent permitted by then-existing law, reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with Section 6g, Article 8, Chapter 11 of the Code of West Virginia, 1931, as amended.

For each fiscal year beginning on and after July 1, 2024, The Board of Education of the County of Summers, to the extent permitted by then-existing law, may reduce the levy rates proportionately for all classes of property when increased assessed valuations, excluding appraisal or valuation due to new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, would cause an increase of more than four percent in the total projected property tax revenues from the previous year's projected property tax revenues. In that event the levy rate, to the extent permitted by then-existing law, is reduced so as to cause such rate to produce no more than one hundred and four percent from all classes of property, excluding appraisal or valuation from new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, of the previous year's projected property tax revenues from all property.
